

Points of interest from Golf Advisory:

The golf advisory committee voted to recommend to Brian Duthu that in the future a minimum of 2 golf courses will be straight sheet daily. This will be in effect Thursdays-Mondays. Straight sheet courses will be rotated each day of the week. The days will be rotated on a monthly basis. This is beginning on Monday, May 31.

Tuesday Ladies league will still be each leagues' option. The SCMGA Wednesday golf will be straight sheets until after Fall overseeding.

If you receive the weekly RCSC emails, the two courses that will be straight sheets are listed each day. If you do not receive these emails you should sign up for them. RCSC communicates very well via emails regarding many issues. These include closures, movies, openings, concert info etc. You can sign up for these emails on your RCSC web portal. (Same place you look for your tee times, prize money, and request lottery tee times.

You can also pull up the RCSC golf calendar on the web site. suncityaz.org (under the golf pull down menu)

Another item you might be interested in: This is a SAVE water issue. Next overseeding season (Fall 2021) South and Lakes East golf courses will not be overseeded. This is a proactive event. The state is

All the courses are currently scheduled for desert landscaping projects in the near future. This includes Willowcreek where they will add more desert landscaping (ie: around tee boxes, and more grass areas that do not come into play.
